

BRANDON SELTZER

Brandon Seltzer is a Client Service Associate at Mariner Wealth Advisors in Palm Beach Gardens, FL. Brandon makes sure his clients receive the best possible service and support on their financial journey with Mariner. He works closely with both internal and external stakeholders with responsibility to enhance client experience and is an integral part of client retention and growth efforts. His main mission is to assist his team to help all clients reach their financial goals. He holds the Series 65, as well as his Variable Annuity, Life and Health Insurance licenses and is studying for his CFP.

In 2020, he graduated Palm Beach Atlantic University with his bachelor's in finance, and continued to earn his master's in business administration, graduating Palm Beach Atlantic University in 2021 with his MBA. He was a four-year scholar athlete and team captain for baseball, earning multiple academic and athletic awards.

He is inspired to make a difference with his strong commitment to building lasting relationships, as well as his strong desire for personal growth and development. He strives to be a leader with his impact in the community and in his professional organization. In his free time, Brandon enjoys lifting weights, playing pickle ball, trying new restaurants, and watching sports.
